D. PROCEDURE FOR LICENSE APPLICATIONS AND ISSUANCE:

1) License sales procedures shall be determined by the Shellfish Conservation Committee, approved by the Board of Selectmen, and submitted to the Commissioner of Marine Resources for concurrence at least 30 days prior to the licenses going on sale.

2) After receiving approval of proposed license allocations from the Commissioner of Marine Resources and prior to the first day of the period of issuance, the Shellfish Conservation Committee shall notify the Town Clerk in writing of the number and allocation of shellfish licenses to be issued.

E. *Unlimited License Sales*: When the Shellfish Conservation Committee determines limiting shellfish licenses is not an appropriate shellfish management option for one or more license categories for the following year;

1) The Town Clerk shall issue licenses as allocated. On the first day of license sales, the total number of non resident commercial licenses shall be issued in accordance with DMR Regulations Chapter 7.4 section1 .Thereafter, non-resident licenses will be issued in accordance with the 10% rule as described in 12 M.R.S.A. §6671(3-E) and DMR Regulations Chapter 7.4, Section 2, Table 1.

2) For each recreational license category, the Town Clerk shall issue one license to a resident and one to a nonresidents; thereafter one nonresident license will be issued for every ten additional resident licenses issued.

F. LICENSE EXPIRATION DATE: Each license issued under authority of this ordinance expires at midnight on the 30th day of June, next following date of issue.

G. RECIPROCAL HARVESTING PRIVILEGES: Licenses from any other municipality on a joint shellfish management program may harvest shellfish according to the terms of their licenses.

H. SUSPENSION: Any shellfish licensee having three (3) convictions for a violation of this ordinance shall have his/her shellfish license automatically suspended for a period of thirty (30) days. This pertains to any violation of this ordinance.

i. A licensee whose shellfish license has been suspended pursuant to this ordinance may reapply for a license only after the suspension period has expired.

ii. The suspension shall be effective from the date of mailing of a Notice of Suspension by the appointed agent/Town Clerk to the licensee.

iii. Any licensee whose shellfish license has been automatically suspended pursuant to this section shall be entitled to a hearing before the Shellfish Conservation Committee upon the filing of a written Request for Hearing with the appointed agent/Town Clerk within thirty (30) days following the effective date of suspension. The licensee may appeal the decision of the Shellfish Conservation Committee before the Board of Selectmen by filing a written Request of Appeal with the appointed agent/Town Clerk within seven (7) days of the decision of the Shellfish Conservation Committee.

6. Opening and Closing of Flats: The Municipal Officers, upon the approval of the Commissioner of Marine Resources, may open and close areas for shellfish harvest. Upon recommendation of the Shellfish Conservation Committee and concurrence of the Department of Marine Resources Area Biologist that the status of shellfish resource and other factors bearing on sound management indicate an area should be closed or opened, the Municipal Officers may call a public hearing on ten (10) days notice published in a newspaper having general circulation in the town, stating the time, place, and subject matter of the hearing, and shall submit a copy of the notice to the Department of Marine Resources. The decision of the Municipal Officers made after the hearing shall be based on findings of fact. When an area that has been closed by the State becomes opened by the State, it shall remain closed by the Town for conservation.

Public notice of municipal conservation closures or openings shall be provided in accordance with DMR Regulations Chapter 7.50(1)

It shall be unlawful for any person to harvest, take or possess shellfish from any areas closed by the town of , Jonesport in accordance with DMR Regulation, Chapter 7.
