NEW BUSINESS:NONE

OLD BUSINESS:

1. **Adult Marijuana info:** Before the legislature, is a bill allowing people from other areas, even out of State, to set up adult marijuana businesses anywhere in Maine. The Selectmen want the Ordinance ready for a vote at any time with the original fees.

MISCELLANEOUS:

2. **Request from Town Office Update:** Tonia Merchant requested the Town Office be open to the public, once plexiglass is in place, beginning June 1st, with regular hours. The Selectmen agreed with her request.
3. **PRSWDD Agreement:** No Update.
4. **Fire truck up for bid:** The Fire Dept. does not need to put the fire truck out for bid because the value is less than \$5000. A motion was made by Fish, seconded by Milliken to allow the fire chief to sell it. All three Selectmen voted “Aye.”
5. **FEMA public assistant grants webinar:** The Selectmen discussed what could be included in the grant. The plexiglass in the Town Office and any additional hours for the office staff were two items brought up. Also, lost revenue at the office because of no customers being allowed in to do business plus lost wages of the customers should be considered. Webinar will be Thursday at 4:00 p.m. An account for public assistance has already been set up.
6. Speed trailer will be set up around town soon.
7. The Stillman Creek project has been worked on by Dean Bradshaw. There was a question about funding. The Town’s share was approved at the last town meeting, which was \$22,000. Once this amount is depleted, then \$66,000 is available from the grant. **Error Town’s share \$20,000.**

8. Barbara MalCarne would like the sidewalks around Sawyer Square swept if the cost is not astronomical. A motion was made by Selectman Alley and seconded by Selectman Milliken to have Selectman Milliken talk to Snow B Gone and ask about the additional cost. All Selectmen noted "Aye."

A motion was made by Selectman Fish, seconded by Selectman Milliken to adjourn the meeting at 4:25 p.m.
