### NEW BUSINESS:

### OLD BUSINESS:

1. **PRSWDD Agreement:** Selectman Harry Fish made a motion to confirm accepting the last proposal Selectmen Dwight Alley seconded it with no discussion. All in favor. Selectman Harry Fish made a motion for Dwight Alley as the chairman to sign the agreement. Selectman Wm. Milliken seconded no discussion all in favor. Selectman Dwight Alley made a motion to take the funds from contingency. Selectmen Milliken seconded and all where in favor answered with “aye”.
2. **Kristian Crowley, Medical Marijuana fees:**

The ordinance says that the application must be submitted with the appropriate fee and the license fee must be paid before the Town will issue the license, so technically the ordinance does not allow for an extension of time to pay the fee. I suppose the Town could accept a Promissory Note, although that really does not comply with the language of the ordinance. John – Kristian Crowley pd \$1,000.00 today and will have the balance paid before the expiration of his license. This will keep him in compliance. A discussion was made that he can make payments such as monthly or quarterly to be applied to the next years license as long as full payment is made before a new license is issued.
