IV. Hearing

1. Consideration of appeal. It was revealed that not all board members were able to access all the information required to appropriately prepare for hearing this appeal. After a considerable recess to discuss this issue, we reconvened and Atty. Wagner proposed that all relevant materials will be provided as bound paper copy to each board member to be disseminated through the town office. This will be at Appellant's expense. This was agreed upon.

Due to this and a time conflict we have cancelled the February 7th hearing and rescheduled to Feb 14, 15 and 28th, to allow board members sufficient time to review materials.
