Absent:	Sheila

Meeting opened at 7:01 PM

Review of January minutes deferred to March meeting.

Applications: None:

Shoreland Zoning Ordinance:

Discussion centered on aspects of the DEP conditional approval with reference to special local conditions with regards to Kingfish. Additional changes may be reviewed regarding that aspect.

DEP review of Al Grignon's language seemed promising and offer to work with DEP on draft language is a workable avenue.

Frank recommended that the Planning Board set up another meeting on a separate day to ensure all the board members could review and work towards consensus of next steps.

FYI:

Applicant: Eve Alley, 50 Sadler Pt.

Application for 8 x 12 or 96 SF shed to be placed on the property, reviewed and approved.

Meeting adjourned at 8:30 PM.
