Hello Team.

Survey results are final. Dona/Rick are tagging five areas of concern within the Question/Comments sections of the survey spreadsheet.

Al will generate a graph to add to our survey results for posting on the Town website early next week.

Carrie will send out a rough draft of the ordinance to the team on email prior to the meeting for discussion/alterations on Monday.

- Review/Approve October 3 minutes (Team)
- Review Project Workplan progress (Al)
- Excel Spreadsheet finalized with areas of concern/graph generated (Dona/Rick/Al)
- Generate Summary page for Survey announcement of results (Team)
- Scrutinize V1.0 rough draft of ordinance (Team)
- Misc. open discussion, questions, concerns (Committee roundtable)

Cynthia is getting a key from the town office today so we have access to the town office, given Monday is a holiday.

Welcome back Bill!
